THEY CALLED A NEIGHBOR

The goal to which all business men aspire is confidence of those with whom they do business.

We may get our calls from anyone of many sources; a doctor, a neighbor, or from a family who has used our services. This is confidence beyond price; it is the goal to which we aspire.

We have had many second and third calls from the same family. One, recently, came from the third generation. She said, "You have cared for two generations in our family. To call you is like calling a neighbor, for such you have proven yourself to be."

Any business is the lengthened shadow of its owner.

Call Stone & Myers Mortuary, Torrance 195, let us tell you about our Funeral Insurance Plan; it is vital to your well being, and your economic stability.
